

# *Dancy's* *School of Dance*

## **Procedures for Students & Parents/Families**

1. **Only dancers can enter the studio.** We must limit the number of people in the building. With the exception of students 7 yrs & under, one parent may come into the studio for drop off and pick up. No waiting in common areas.
2. **Masks are mandatory for anyone entering the studio!** Students will wear masks at all times.
3. **Please sanitize hands upon entry/exit at all times.** Hand sanitizer dispensers are placed at the entrance/exit of the studio and at the entrance to all classrooms. Everyone is required to practice proper hand hygiene - washing/sanitizing & coughing/sneezing into elbow/tissue.
4. **Students should arrive properly dressed for class.** Please do not change at the studio. Washroom use should be limited as much as possible.
5. **Students are asked to arrive no earlier than 10 minutes before class starts.** It is important to be on time for pick up. Class times have been adjusted to minimize traffic in the studio when possible.
6. **Social distancing must be followed at all times.** Everyone is expected to maintain a distance of 2m or 6ft when possible. We have taped squares on the floors in each classroom to help facilitate with social distancing while dancing.
7. **All students must have a dance bag when multiple dance shoes are required.** Dancers will bring only their dance bag into the classroom. All other personal belongings will be left in the coat room ie shoes/boots, coats, etc
8. **The water cooler is no longer available.** Students are required to bring a pre-filled water bottle with them for class.
9. **Anyone entering the studio will attest to the Covid-19 screening tool provided by the Windsor-Essex County Health Unit.**
10. **Stay at home if you are sick.** If a dancer becomes ill while at the studio, they will be immediately isolated and parents will be notified to pick them up right away.
11. **COVID-19 Exposure.** Please notify the studio immediately if any student has been diagnosed with Covid-19. If any student or teacher in your dancer's class is diagnosed with Covid-19, the Windsor-Essex County Health Unit will be notified and we will follow their recommendations.
12. **Every effort has been made to clean and sanitize the studio for everyone's safety.** All commonly touched surfaces will be cleaned regularly with Oxivir. For the safety of our patrons, the air & all surfaces are protected 24/7 by **ActivePure** technology. Scientifically proven to reduce over 99% of viruses and bacteria.

*With everyone's full co-operation, we can  
keep our studio & dance family  
safe, healthy & dancing!*
